Financial regulation has become increasingly complex and comprehensive. The regulatory landscape is constantly changing, and nothing indicates that this trend will stop for the time being. Consequently, it has become more complex and difficult to mitigate the risks involved in operating regulated activities. Lack of compliance may result in both reputational damage and public sanctions.

Based on highly specialised knowledge accumulated over many years, we assist our clients navigate securely through this constantly changing regulatory landscape.

We provide ongoing advice on compliance issues, including on the limits of regulated and unregulated activities, application processes and communication with public authorities as well as supervisory cases in various areas.

We collaborate closely with our clients to understand their strategic goals and to achieve such goals through tailored and durable solutions, not only with a view to complying with the law but also for the purpose of minimising the risks of reputational damage and securing stable operations under the applicable regulation.

We advise all types of financial undertakings and have been involved in some of the most complex business critical, socially critical and important cases over the years.

Ratings

IFLR1000

2026 **IFLR 1000**

Plesner is listed in "Tier 1" as regards Banking and Finance.

"They know of business and our industry and they are experts at their field. I appreciate their availability"

"Highly skilled, efficiency and personal approach"

"The team is super experienced, can draw on precedents and is very service-minded. They are always a step ahead and have all things covered. Partner attention is always available when needed and the team is broad enough to be able to handle large transactions. All in all, the service level is outstanding and it makes them quite unique"

"Top law firm in their jurisdiction. Plesner's expertise in financing transactions is deep and practical. Know when to push back and when to be pragmatic. Their responsiveness is consistently strong. They are available when it matters, they turn around documents and comments quickly, and you always have genuine partner-level engagement throughout the transaction"

CHAMBERS GLOBAL
