Email jhv@plesner.com

Jesper is a senior counsel in Plesner's Data Protection Law team. He has, since 2006, worked with a wide range of cases within data protection law and operational compliance.

PRACTICE AREAS

Data Protection Law
Investigations

Jesper is a specialist in personal data law. He has been working with personal data law since 2006.

He advises both private and public clients on various data protection and operational compliance matters. Jesper is also a frequently used speaker in the field of data protection, and he teaches day 3 and 4 at [Plesner's Data Protection Law Certificate course](#).

Jesper has a Master's degree in Law from the University of Copenhagen. Prior to joining Plesner he worked for nine years at the Danish Data Protection Agency, where he for the last two years was head of enforcement.

Ratings

2021-2023 The Legal 500

Jesper Husmer Vang is recommended as regards Data Privacy and Data Protection.

"Michael Hopp and Jesper Husmer Vang are my go-to practitioners for data privacy matters. They are always accessible on short notice with clear and pragmatic advice. Very pleasant to speak to and always to the point" (2023)

"Jesper Husmer Vang has a unique insight from his past as the Head of Division for the Danish Data Protection Agencies inspection unit" (2022)
