Simon is a director in our Banking and Finance team.

PRACTICE AREAS

Banking and Finance
Capital Markets
Financial Services

Simon focuses on financial regulation and advises banks, fund managers, insurance companies and pension funds.

Simon's key focus areas include advising on financial regulation involving complex transactions and contract structures – often with cross-border aspects – and advising on contact with authorities, securities trading and capital markets.

Simon continuously assists clients with important projects involving the setting up of financial undertakings and alternative investment funds, buying and selling financial undertakings, transferring portfolios, restructuring, and project implementation relating to new financial legislation.

Simon has extensive experience advising insurance companies, pension funds and insurance brokers, and is highly specialised with regard to insurance distribution.
