Claus is Chief Information Officer in Plesner.

With more than 20 years of experience in the IT and digitisation sector, Claus has deep experience in providing IT services for the professional services industry.

In his role at Plesner, Claus is driving strategic projects focused on utilising data and modernising the digital platform to provide a user experience that better aligns with the ways that lawyers prefer to work, empowering them to deliver a better client experience.

Claus holds a Bachelor of Science and a Master of Science degree in Business Administration and Computer Science from Copenhagen Business School.
