Mikkel is a partner in Plesner's Corporate Finance team that handles some of the largest and most complex corporate transactions within capital markets and M&A. Plesner's Corporate Finance team is one of the absolute preferred teams in the Danish market with a firm focus on clients' commercial objectives.

PRACTICE AREAS

Capital Markets
M&A
Venture Capital & Emerging Companies

In recent years, Mikkel's capital markets experience has focused on IPOs and secondary capital issues (rights issues, accelerated book-buildings and private investment in public equity). Mikkel has also been involved in and has experience with public M&A transactions (takeover bids/takeovers) and general capital markets advice.

Mikkel's M&A transaction experience includes all types of transactions (acquisitions, sales, investments (including venture investments), joint ventures, partnership/licensing, restructurings, etc.) often on behalf of listed and large cap companies and in connection with complex processes.

Mikkel has extensive experience with the biotech sector.

Mikkel has a Master's degree in Law from the University of Copenhagen.

Almost all the matters in which Mikkel is involved require a multi-disciplinary team approach and project leadership. He and the team are continuously sought by clients for their ability to provide a clear set of priorities, clear communication, and a deep commercial understanding of clients' needs.
