PRACTICE AREAS

Digital, Tech & Commercial

During her years at Plesner, Cæcilie has been a trusted advisor in regulatory and compliance matters. She has been involved in numerous compliance projects, including the drafting of internal policies and procedures, and has conducted risk assessments and data protection impact assessments (DPIAs). Cæcilie advises on a wide range of data protection matters on a regular basis, assisting clients with concrete issues and complex legal assessments as well as with the handling of cases before the authorities. In recent years, Cæcilie has also been involved in litigation.

Cæcilie has played an important part in developing Plesner's digital knowledge platforms "LegalHub" and "Plesner Privacy Insights".

Cæcilie worked at the Legal Secretariat of the European Data Protection Board (EDPB) in Brussels for five months as part of the Blue Book Traineeship programme, contributing to the interpretation and application of EU data protection law and supporting the work of the EDPB.

With experience in both national and European data protection law, Cæcilie also supports companies in navigating the growing complexity of regulatory requirements.
