Emilie is an attorney-at-law in Plesner's Real Estate team. Emilie advises both Danish and international clients, including property funds, pension funds, property developers, and private real estate companies.

PRACTICE AREAS

Real Estate

Emilie has experience in M&A transactions within real estate, including both acquisitions and sales, property development projects, and legal due diligence.

Emilie also has experience within the energy sector, including matters related to new energy sources (solar, wind, Power-to-X). Additionally, Emilie has experience in construction matters, including handling of disputes.

Emilie has a Master's degree in Law from the University of Copenhagen and has studied abroad at Michigan State University in the USA.

Plesner's Real Estate team is grouped together with Plesner's Construction team, Energy and Infrastructure team, Public Law team, Environmental Law and Planning Law team, ESG team, and Social Housing team, which enables us to jointly provide highly specialised and holistic advice.
