David is a manager in our Data Protection Law team.

PRACTICE AREAS

Data Protection Law

He is an EU Lawyer from the Netherlands and has experience working at Allen & Overy's Amsterdam office, advising international clients on data protection matters relating to the General Data Protection Regulation.

David is admitted to the Amsterdam Bar and admitted to the Copenhagen bar as an EU Lawyer.

He specialises in data protection law, AI laws such as the AI Act, and other emerging EU technology laws such as the Digital Services Act.
