Stine is an attorney-at-law in our Construction team.

PRACTICE AREAS

Construction

Stine advises on construction law and arbitration proceedings, including before the Danish Building and Construction Arbitration Board, as well as regulatory issues and contracts relating to the building and construction sector.

Stine provides general advice and drafts contracts within the building and construction sector and has a particular focus on public procurement law.

Stine previously worked as a construction and procurement lawyer in the Municipality of Lyngby-Taarbæk and consequently has practical experience, in particular in relation to building and construction procurement processes.
