Rasmus is an attorney-at-law in our Digital, Tech and Commercial team.

PRACTICE AREAS

Digital, Tech & Commercial

As a member of Plesner's team with a dedicated focus on data protection law and compliance, Rasmus advises Danish and international clients on any legal and commercial challenges within all aspects of data protection law, including data security, security breaches, international transfers and risk assessments.

Rasmus previously worked at Novo Nordisk where he gained thorough knowledge of the regulation of the life sciences industry and the specific challenges arising in connection with clinical trials, research and development agreements and implementation of GDPR in the context of the development of medical devices.
