Janne is an attorney-at-law in Plesner's Insolvency Law and Restructuring team and is currently seconded to a bank, working on a project focused on debt collection.

PRACTICE AREAS

Insolvency Law and Restructuring

She is specialized in insolvency and restructuring law, and also advises clients on general contract law and good practices for financial companies.

Throughout her career, she has gained experience handling complex cases and providing strategic legal advice.

Janne has a Master's degree in Law from the University of Aalborg.

Janne was previously an external lecturer at the University of Aalborg, teaching Contract and Tort Law.

Collaboration and teamwork are central. The collective expertise of the team drives its success and ensures the delivery of optimal and effective legal solutions.
