Marie-Louise is a manager in our Litigation and Insurance and Pension Law team, specialising in insurance, tort and contract law.

PRACTICE AREAS

Insurance and Pension Law
Litigation

She advises clients in litigation and arbitration proceedings across a wide range of commercial and contractual matters, with particular experience in insurance and tort disputes, including liability cases and regulatory litigation.

Marie-Louise also advises on insurance matters relating to loss of earning capacity, both before the Danish courts and the Danish Insurance Complaints Board.

Marie-Louise's practice covers both national and international disputes, and she is experienced in project management and the handling of large case portfolios.
