Marie is an assistant attorney in Plesner's Litigation team.

## PRACTICE AREAS

Arbitration  
Construction  
Litigation

She is engaged in large litigation cases before the ordinary courts of law as well as in arbitration proceedings before the Danish Building and Construction Arbitration Board in a wide range of areas relating to the law of property and obligations, including tort law, contract law and construction law in both national and international matters.

Marie has a Master's degree in Law from the University of Copenhagen and has studied a semester abroad on Monash University in Melbourne, Australia.
