

Specialised advice with a commercial outlook

Practice area under Defence and National Security

Our advice is always based on the individual client's specific situation.

Our comprehensive legal support covers a broad list of areas, including:

- Guidance in sector-specific legislation, including in relation to the production, import and export of weapons and munitions
- Procurement by DALO and counter-purchase obligations
- M&A transactions involving companies or assets within the defence and security sector
- Screening and approval procedures in relation to foreign direct investments (FDI) within the defence and security sector
- National and EU tender procedures, public procurement and merger control
- Agency and sales representation related to the sale of military equipment etc. to DALO
- Brokerage related to the sale of military equipment etc. to DALO
- Corporate compliance, trade sanctions and export controls
- IT and outsourcing, including facility management outsourcing and development and maintenance agreements within the defence and security sector
- Protection, exploitation and litigation in relation to intellectual property rights
- Establishment of consortia, partnerships and joint ventures
