Sara is a partner in Plesner's Corporate Law team. Sara specialises in foundations, and she has over many years gained extensive experience by assisting commercial foundations in matters related to all aspects of Danish foundation law.

PRACTICE AREAS

Corporate Law
Foundations

Sara also advises Danish and international companies on complex corporate matters. She has experience providing legal assistance within a wide range of areas relating to Danish corporate law, spanning from restructurings, national and cross-border mergers and demergers to specialist advisory services within corporate governance and managerial liability.

Sara has a Master's degree in Law from the University of Copenhagen and has studied half a year at the University of Sydney.

Corporate law matters often require a dedicated team that excels in delivering a solution-focused approach to any given issue.

Plesner's Corporate Law team is often complimented for the team's unwavering ability to collaborate, communicate clearly and the team's commercial focus, which ensures the best possible product for the client. The team sets the standard within all aspects of Danish foundation law, companies law and related practice areas.
