Sofie is a director in our IP and Life Science team.

PRACTICE AREAS

IP Law
Life Science - Regulatory & IP
Marketing Law and Consumer Law
Patent Law
Product Imitations and Designs
Trademarks, Business Signs and Domain Names

Sofie primarily advises on trademarks, copyrights, design rights and counterfeited products. Sofie provides advice to and conduct cases on behalf of large Danish and foreign clients, including by means of preliminary injunctions and preservation of evidence. Sofie also assists clients with portfolio work regarding trademarks and designs and has been involved in several M&A transactions with IP rights as the focal point.

In addition, Sofie advises on regulatory practice relating to medicinal products and medical devices. Such advice includes issues relating to sale and marketing, the relationship between health professionals and pharmaceutical and medical device companies, and parallel import of medicinal products and medical devices.

Sofie is a member of the MARQUES Copyright Team.
