Line is a manager in our Real Estate team.

PRACTICE AREAS

Real Estate

Line focuses on matters in relation to transfer of existing residential and commercial properties, as well as property development projects and commercial and residential lease law.

Line advises Danish and international real estate investors and property developers on the acquisition and sale of both single properties and larger property portfolios.

Line has a Master's degree in law from the University of Southern Denmark and a Graduate Diploma (HD2) in International Business from Copenhagen Business School.

Ratings

2026 **Legal 500**

Line Vester Clausen is recommended as regards Real Estate and Construction.

"Line Vester Clausen - she is always on the ball with a high degree of urgency and availability"

"Lasse Detlevsen and Line Vester are definitely people you want on your team. They adapt very well to clients' work dynamics and know how to guide and advise them"
