Henrik is a director in our Litigation team.

PRACTICE AREAS

Arbitration
Insurance and Pension Law
Litigation

Henrik is primarily engaged in preparing and litigating court cases and arbitration proceedings relating to the law of property and obligations. He focuses in particular on the sale of goods, contract law, insurance law, tort law, construction law and advisers' professional liability.

Henrik also advises clients on general issues relating to contractual and non-contractual damages, including general commercial liability and product liability, and he has practical experience drafting a variety of contracts and warranty provisions.

Henrik previously worked at the Confederation of Danish Industry and has practical experience of labour and employment law issues.
